The Perfect Matrimony:

The Perfect Matrimony: The Door to Enter into Initiation Samael Aun Weor, 2025-02-01 Love is the highest religion Samael Aun Weor The First Public Revelation of the Sexual Teachings in Every Religion All religions have symbols myths and cryptic scriptures that point towards sex but their real meanings were kept secret The Perfect Matrimony was the first book to reveal those secrets to the public The Western religions say that our suffering began when Adam and Eve ate the forbidden fruit an obviously sexual symbol that was never before explained to the public We are suffering today because we are still eating that forbidden fruit When we stop repeating that mistake we can return to Eden a Hebrew word that literally means bliss pleasure delight The forbidden fruit is related to sex Sex is a terrific power that can create or destroy Everything that lives was created through sex Sex is the source of all life even spiritual life Even the soul is created through sex but not the sexual act of the common person To create something divine requires divine sacred sexuality which is very different from the common sexual act To create spiritually we need sexuality that is pure divine holy This is not a book of theories or beliefs but a practical handbook that empowers you to experience the truth for yourself It is filled with practical exercises of sacred sexuality for singles and couples meditation astral projection mantras awakening kundalini and chakras and much more After putting these teachings into daily practice the scriptures of all religions become radiantly clear your spiritual practices become truly effective and powerful and the empty feeling in your heart is replaced by something magical and alive You will then know that real religion is not found in organizations buildings or books it is found in the heart that is inflamed with divine love If you only want one book about real spiritual practice The Perfect Matrimony has everything you need Are you ready for a spiritual and sexual revolution [The Perfect Matrimony](#) Samael Aun Weor, 1992 **The Perfect Matrimony** Samael Aun Weor, 2004 **The Perfect Matrimony** Samaël Aun Weor, 2004 **The Perfect Matrimony** Samael Aun Weor, 2012-05 First published in 1931 at a time when charlatans and fortune seekers were rapidly expanding their efforts to mislead humanity through mischievous spiritual teachings this mysterious book by an anonymous author opened the doors for sincere seekers to real spirituality He explains how proper management of our psychological and physical energies brings us into harmony with the divine His message is at once scientific and mystical intuitive and concrete and completely in harmony with the scriptures of every religion Although the author M could not state explicitly what was destined to be fully revealed beginning in 1950 by Samael Aun Weor when illuminated by the light of the ancient Gnostic teachings the wisdom of this book can truly be understood and valued It provides a deep yet easy to understand explanation of how our bodies and minds relate to nature and to the superior levels of existence and what we must do if we long to escape the suffering in our lives Publisher *The Perfect Matrimony* Manuel Victor Gomez Rodriguez, 2000 **The Perfect Matrimony Or the Door to Enter Into Initiation** Samael Aun Weor, 2006-12 Love is the highest religion Samael Aun Weor The first of sixty books written by the founder of the modern Gnostic Movement The Perfect Matrimony contains a complete introduction to the

Even though we believe we are an advanced civilization the problems that afflict us are undeniable and seem to be getting worse by the day proliferation of nuclear weapons deforestation unceasing wars political instability economic hardship pollution social injustice climate change terrorism etc In spite of humanity's love for the theory of evolution and the cherished belief that we are evolving towards perfection the facts prove otherwise everywhere we look modern society displays clear signs of devolution widespread and systemic degeneration decay and decline towards destruction Jesus the founder of Christianity said wide is the gate and broad is the way that leadeth to destruction the second death and many there be which go in thereat because strait is the gate and narrow is the way which leadeth unto life the second birth and few there be that find it Matthew 7:13-14 In The Narrow Way Samael Aun Weor reveals the secret teachings of Jesus that few have known the way to life is within the marvelous human machine our physical body By harnessing the power of the sexual glands we can revolt against the current towards destruction This revolution cannot be done through belief but through action through a method known since antiquity but kept secret until now sexual transmutation also called alchemy or tantra The way to life is always sexual whether creating physical life or spiritual life That is why throughout the ancient scriptures there are clues towards the preservation of the sexual energy the living waters and why the elite of every religion preserved their sexual energy they knew how to harness it for purposes higher than mere lust The sexual energy is a tremendous power it creates life When harnessed and made pure a process called white tantra it creates life in the superior levels of nature so that one is born again The second birth is the result of creating the solar bodies Astral Body Mental Body Causal Body which Jesus called the wedding garment With the solar bodies one is awakened in the superior dimensions of nature The Narrow Way exposes the ancient secret path hidden in all religions and the source of power that gave birth to the most remarkable souls in history those radiant men and women of terrific compassion and intelligence who embodied the best of what it is to be human The power to become like them is within you too **Introduction to Gnosis** Samael Aun Weor, 2025-02-01 In ancient times the Gnostics sought for salvation through personal experiential knowledge of the Divine Their methods of self reliance and their sublime knowledge profoundly impacted society such that the dominant powers felt threatened and the tradition was forced to disappear from public view Now after centuries of obscurity the Gnostics have re emerged still

carrying their profound message of Gnosis knowledge of self and the Divine In a simple and elegant way Samael Aun Weor explains the basic methodology for people in today s world to begin to approach the greater mysteries of the Gnostics In this basic and practical guide Samael Aun Weor offers a breadth of exercises guiding the reader to discover within themselves a wealth of insight and understanding Gnosis after all is Greek for knowledge and the seeker is told Know thyself and thou shalt know the universe and its Gods A great author deduced that the human being needs eight important things in life health and the conservation of life nourishment sleep money and the things money can buy life in the beyond sexual satisfaction the well being of his children and a sense of proper importance We synthesize these eight things into three 1 Health 2 Money 3 Love If you really want to acquire these three things you should study and practice everything that this course teaches you We will show you the path of success Samael Aun Weor Includes the lecture How to Make Light Within and the pamphlet Marriage Divorce and Tantra Topics include An Exercise to Control Your Anger The Power of Thought Mental Force Concentration of the Mind The Law of Karma Favorable Circumstances The Descent of Cosmic Vibration Prana The Names of the Tattvas Properties of the Tattvas Money Clairvoyance Alcoholism Meditation and Intoxication Osmotherapy Mental Relaxation Concentration Meditation Contemplation The Universal Mind Imagination and Will Mental Action Mental Epidemics Mental Hygiene Vegetarian Diet Self observation Chatter I s in the Five Centers Matrimony Divorce and Tantra and more Christ and the Virgin Samael Aun Weor,2020-01-11

The energy that liberates a human being from suffering is known around the world by many names such as Christ Osiris Ra Quetzalcoatl Jupiter Avalokitesvara etc That is Christ is a force at the very foundation of existence and which can emerge in a properly prepared individual Such a pure divine energy can only be born in us through an immaculate conception that mysterious symbol present in every great mythological and religious tradition Bringing the Christ into the world is the duty of the Virginal Mother The ancient Christian tradition represented the Virgin Mother just as the Egyptians did as a virtuous chaste woman blessed with the sacred duty of giving birth to the savior of the world Unfortunately over the centuries the public was not taught about the true importance or nature of the Divine Mother or how to work with her Now with the knowledge written in this book anyone can have the precious experience of talking to their own inner Divine Mother and be prepared for the birth of Christ within which is the beginning of the Direct Path to absolute liberation Topics include What are Christ and Christianity What is the Aquarian Age The essential foundation of all religions Prophecies coming true now Immaculate conceptions both spiritual and physical

Sexology: The Basis of Endocrinology and Criminology Samael Aun Weor,2025-01-01 Each of us was created through sex and every day we are influenced by sex Our hormones influence us continually in our thinking feeling and body Therefore it is simple logic to recognize that a saint or holy person is a result of a upright pure sexual life while a criminal or a liar is the result of a degenerated impure sexual life The sexual energy of a saint fills their heart mind and body with pure thoughts pure emotions and vitalizing energy The sexual energy of a criminal fills their heart mind and body with degenerated

thoughts emotions and energy Therefore if we want a better life we simply need to learn how to use our sexual energy in a better way We can do so by understanding the connections between three sciences sexology endocrinology and criminology Sexology studies love the most powerful force in human life It inspires our greatest acts sustains us in difficult times gives us hope inspiration and purpose But more than that love is the power that turns the common person into a superhuman The sexual energy which fuels the love of a couple and creates children is also the wellspring of the love expressed by the greatest human beings such as Jesus Buddha Joan of Arc etc While it is well known that serious spiritual seekers preserve their sexual energy for spiritual purposes science has largely ignored why The preservation of the sexual energy called chastity tantra alchemy karezza coitus interruptus supercharges the endocrine system and the brain On the other hand the worst human beings are always sexual degenerates whose bodies and minds are decayed Endocrinology studies the active agent of sex our endocrine system the incredible power of hormones The hormones not only push us towards sexual activity they also power the pineal and pituitary glands which facilitate our ability to imagine to see with our mind s eye For the suprasexual the hormones are the vitalizing influence that regenerates the brain and heart and empowers visions clairvoyance conscious dreams and spiritual powers For the infrasexual the hormones being corrupted by desire lust anger and pride cloud the mind degenerate the emotions into selfishness and hypnotize the consciousness with paranoia hallucinations obsessions fantasies of wealth and power motivating the person towards crime violence rape etc This is criminology the science that examines how desire is the basis of crime *Secret Doctrine of Anahuac* Samael Aun Weor,2025-01-01 Be ye therefore wise as serpents Jesus A mysterious serpent is found in all religions and mythologies yet its true meaning was known only to initiates of the secret doctrine In the Bible a serpent tempted Eve yet a serpent also healed the Israelites Apollo fought the dreaded Python while a healing serpent rose upon the rod of Aesculapius The dual nature of the serpent is obvious yet few know that the serpent is within us In *The Secret Doctrine of Anahuac* Samael Aun Weor explores the traditions of the Aztecs to demonstrate the universal dualistic symbol of the serpent its practical meaning and its vital role in our lives whether aiding our spiritual development or tempting us towards degeneration and suffering Yet this is not a book of theories or beliefs but a manual of practical techniques that you can begin applying today such as meditation awakening in the world of dreams jinn science sexual transmutation and much more By awakening consciousness you no longer need beliefs or theories because you will know the truth from your own experience When the igneous serpent of our magical powers ascends along the spinal medullar canal of the human body it is our Divine Mother Kundalini When the igneous serpent descends downwardly projected from the coccygeal bone towards the atomic infernos of humans it is the abominable Kundabuffer organ the tail of Satan Samael Aun Weor *Kundalini* Samael Aun Weor,2025-01-01 Although the term Kundalini is associated with Indian mysticism tantra and yoga the word refers to a living element in nature and is symbolized in all religions In Judaism and Kabbalah it is called Shekinah In Christianity it is the fire of the Pentecost that

illuminated the apostles In Buddhism it is known by many names such as Candali For thousands of years many have wondered at the tales of that mysterious force and the spiritual powers it gives yet the method to awaken it has been hidden misunderstood or sometimes intentionally sabotaged Some say it is dangerous or can be awakened accidentally but the Kundalini is not a blind or mechanical force It is the Divine Mother Herself the power or energy of divinity in motion She cannot be tricked fooled or accidentally awakened The Kundalini can only be developed through purity and love Divine power must be earned Now like a refreshing spring breeze Samael Aun Weor blows the obscurations and mistaken ideas away and reveals the sacred mysteries of our most ancient and holy science With a firm foundation in scripture and practical knowledge the method to awaken and develop the root energy of life is made clear and accessible to all It is no longer necessary to theorize or debate through the practice of the techniques in this book one can know You will find terrific secrets within this book secrets that never in the history of life were published Samael Aun Weor Formerly published in English as Kundalini Yoga this new edition adds a prologue of four powerful lectures that prepare you to understand the main content The Mysteries of the Fire by Samael Aun Weor It also adds more than one hundred footnotes to explain important terms and concepts It is richly illustrated and includes a glossary and an index **Treatise of Sexual Alchemy** Samael Aun Weor, 2022-02 Treatise of Sexual Alchemy reveals the true meaning of the genuine documents and symbols used by the medieval alchemists such as Paracelsus Basil Valentine Francis Bacon and more by showing how those teachings are hidden in the Egyptian Book of the Dead and the Judeo Christian Bible The Medieval alchemists hid the Great Arcanum among innumerable symbols and esoteric allegories This was in order to save it from profanity and in order for them to avoid being burned alive in the blazes of the Inquisition Samael Aun Weor
