The Essence of the Bhagavad Gita Paramhansa Yogananda, 2008-02-04 Rarely in a lifetime does a new spiritual classic appear that has the power to change people s lives and transform future generations This is such a book The Essence of the Bhagavad Gita Explained by Paramhansa Yogananda shares the profound insights of Paramhansa Yogananda author of Autobiography of a Yogi as remembered by one of his few remaining direct disciples Swami Kriyananda This revelation of India s best loved scripture approaches it from an entirely fresh perspective showing its deep allegorical meaning and also its down to earth practicality The themes presented are universal how to achieve victory in life in union with the divine how to prepare for life s final exam death and what happens afterward how to triumph over all pain and suffering This book is itself a triumph Swami Kriyananda worked with Paramhansa Yogananda in 1950 while the Master completed his commentary At that time Yogananda commissioned him to disseminate his teachings world wide Kriyananda has in his lifetime lectured taught and written eighty five books based on Yogananda s teachings The Essence of the Bhagavad Gita Kriyananda s eighty sixth book is the crowning achievement of his highly productive life In this his masterpiece he declares Yogananda s insights into the Gita are the most amazing thrilling and helpful of any I have ever read

The Bhagavad Gita According to Gandhi Mahatma Gandhi, 2010-06-15 Regarded in India as one of the most important books of the 20th century Gandhi s commentary on this classic Hindu text addresses the issues he felt most directly affected the spiritual lives of common people The Bhagavad Gita also called The Song of the Lord is a 700 line section of a much longer Sanskrit war epic the Mahabharata about the legendary conflict between two branches of an Indian ruling family Framed as a conversation between Krishna an incarnation of the god Vishnu and a general of one of the armies the Gita is written in powerful poetic language meant to be chanted Equally treasured as a guide to action a devotional scripture a philosophical text and inspirational reading it remains

one of the world's most influential widely read spiritual books The Bhagavad Gita According to Gandhi is based on talks given by Gandhi between February and November 1926 at the Satyagraha Ashram in Ahmedabad India During this time a period when Gandhi had withdrawn from mass political activity he devoted much of his time and energy to translating the Gita from Sanskrit into his native Gujarati As a result he met with his followers almost daily after morning prayer sessions to discuss the Gita's contents and meaning as it unfolded before him This book is the transcription of those daily sessions

Alternative Krishnas Guy L. Beck, 2012-02-01 Krishna widely venerated and adored in the Hindu tradition is a deity of many aspects An ancient manifestation of the Supreme God Vishnu or the Godhead itself Krishna is the bringer of Yoga philosophy and the creator of the universe the destroyer of evil tyrants and the hero of the epic Mahabharata He is also described in classical Sanskrit texts as having human characteristics and enjoying very human pursuits Krishna is the butter thief cowherd philanderer and flute player Yet even these playful depictions are based upon descriptions found in the Sanskrit canon and mostly reflect familiar classical Pan Indian images In this book contributors examine the alternative or unconventional Krishnas offering examples from more localized Krishna traditions found in different regions among various ethnic groups vernacular language traditions and remote branches of Indian religions These wide ranging alternative visions of Krishna include the Tantric Krishna of Bengal Krishna in urban women's rituals Krishna as monogamous husband and younger brother in Braj Krishna in Jainism Krishna in Marathi tradition Krishna in South India and the Krishna of nineteenth century reformed Hinduism

Selections from the Mahābhārata Satya P. Agarwal, 2002 This book presents the social message of the Mahabharata in the form of a ten point call for the good of all Since this message is primarily given in the terminology of loksaṃgraha in Bhagavad Gita Which is the centre piece of the Mahabharata the technique of presentation adopted here is Gita supportive i.e. indirect as well as selective This book is accompanied with simple meaning in English take the form of eighteen chapters

Ontology of Consciousness Helmut Wautischer, 2008-04-11 Scholars from many different disciplines examine consciousness through the lens of intellectual approaches and cultures ranging from cosmology research and cell biophysics laboratories to pre-Columbian Mesoamerica and Tibetan Tantric Buddhism in a volume that extends consciousness studies beyond the limits of current neuroscience research The hard problem of today's consciousness studies is subjective experience understanding why some brain processing is accompanied by an experienced inner life Recent scientific advances offer insights for understanding the physiological and chemical phenomenology of consciousness But by leaving aside the internal experiential nature of consciousness in favor of mapping neural activity such science leaves many questions unanswered In *Ontology of Consciousness* scholars from a range of disciplines from neurophysiology to parapsychology from mathematics to anthropology and indigenous non-Western modes of thought go beyond these limits of current neuroscience research to explore insights offered by other intellectual approaches to consciousness These scholars focus their attention on such philosophical approaches to consciousness as Tibetan Tantric Buddhism North American Indian

insights pre Columbian Mesoamerican civilization and the Byzantine Empire Some draw on artifacts and ethnographic data to make their point Others translate cultural concepts of consciousness into modern scientific language using models and mathematical mappings Many consider individual experiences of sentience and existence as seen in African communalism Hindi psychology Zen Buddhism Indian vibhuti phenomena existentialism philosophical realism and modern psychiatry Some reveal current views and conundrums in neurobiology to comprehend sentient intellection Contributors Karim Akerma Matthijs Cornelissen Antoine Courban Mario Crocco Christian de Quincey Thomas B Fowler Erlendur Haraldsson David J Hufford Pavel B Ivanov Heinz Kimmerle Stanley Krippner Armand J Labb James Maffie Hubert Markl Graham Parkes Michael Polemis E Richard Sorenson Mircea Steriade Thomas Szasz Mariela Szirko Robert A F Thurman Edith L B Turner Julia Watkin Helmut Wautischer

Essência do Bhagavad Gita Swami Kriyananda,2021-03-08 Raramente no espaço de uma vida surge um novo cl ssico

espiritual com poder de modificar as pessoas e transformar as futuras gerações. Esse livro o faz. A Essência do Bhagavad Gita explicada por Paramhansa Yogananda apresenta as ideias profundas do autor tais quais evocadas por um dos poucos de seus discípulos diretos ainda entre nós Swami Kriyananda. [A Conversation with Lord Krishna](#) Swami Bodhananda, 2024-05-12. At Kurukshetra Arjuna engages his friend and charioteer Lord Krishna in dialogue asking numerous crucial questions that press upon his mind and heart as he faces his kinsmen and teachers whom he is to kill in battle. Swami Bodhananda has selected five of Arjuna's most significant questions which thread through the Bhagavad Gita. Arjuna's questions are similar to those we might ask as we engage in meaningful interaction and face conflicting values. Like Arjuna we argue, resist, run away and make excuses, collapsing and falling short in responding to life's crises. But what if we acquired a unique type of knowledge that would form a foundation both transcending and encompassing all of life's dilemmas, serving as a broad basis for our decision making? Swami Bodhananda illuminates Lord Krishna's Responses which provide both solace and wisdom for our personal struggles in a demanding and relentlessly changing modern world. **The Life of Ramakrishna** Romain Rolland, 2025-02-10.
