Questors, Jesters and Renegades Michael Coveney,2020-03-05 Shortlisted for the Theatre Book Prize 2021 This is the vital story of the amateur theatre as it developed from the medieval guilds to the modern theatre of Ayckbourn and Pinter with a few mishaps and missed cues along the way Michael Coveney a former member of Ilford s Renegades tells this tale with a charm and wit that will have you shouting out for an encore This is the first account of its kind packed with anecdote and previously unheard stories and it shows how amateur theatre is more than a popular pastime it has been endemic to the birth of the National Theatre as well as a seedbed of talent and a fascinating barometer and product of the times in which we live Some of the companies Coveney delves into all taking centre stage in this entertaining and lively book include the Questors and Tower Theatre in London Birmingham s Crescent Theatre The Little Theatre in Bolton where Ian McKellen was a schoolboy participant Lincolnshire s Broadbent Theatre co founded by Jim Broadbent s father and other conscientious objectors at the end of World War II and Cornwall s stunning cliff top Minack King John (Mis)Remembered Igor Djordjevic,2016-03-09 King John s evil reputation has outlasted and proved more enduring than that of Richard III whose notoriety seemed ensured thanks to Shakespeare s portrayal of him The paradox is even greater when we realize that this

portrait of John endures despite Shakespeare's portrait of him in the play *King John* where he hardly comes off as a villain at all. Here Igor Djordjevic argues that the story of John's transformation in cultural memory has never been told completely perhaps because the crucial moment in John's change back to villainy is a literary one it occurs at the point when the historiographic trajectory of John's character development intersects with the literary evolution of Robin Hood. But as Djordjevic reveals John's second fall in cultural memory became irredeemable as the largely unintended result of the work of three men John Stow, Michael Drayton, Anthony Munday who knew each other and who all read a significant passage in a little known book the *Chronicle of Dunmow* while a fourth man's money Philip Henslowe helped move the story from page to stage. The rest as they say is history. Paying particular attention to the work of Michael Drayton and Anthony Munday who wrote for the Lord Admiral's Men, Djordjevic traces the cultural ripples their works created until the end of the seventeenth century in various familiar as well as previously ignored historical poetic and dramatic works by numerous authors. Djordjevic's analysis of the playtexts source and the personal and working relationship between the playwright poets and John Stow as the antiquarian disseminator of the source text sheds a brighter light on a moment that proves to have a greater significance outside theatrical history it has profound repercussions for literary history and a nation's cultural memory.

Perspectives on Contemporary Irish Theatre Anne Etienne, Thierry Dubost, 2017-10-20 This book addresses the notion posed by Thomas Kilroy in his definition of a playwright's creative process: We write plays I feel in order to populate the stage. It gathers eclectic reflections on contemporary Irish theatre from both Irish theatre practitioners and international academics. The eighteen contributions offer innovative perspectives on Irish theatre since the early 1990s up to the present testifying to the development of themes explored by emerging and established playwrights as well as to the revolutions in practices and approaches to the stage that have taken place in the last thirty years. This cross disciplinary collection devotes as much attention to contextual questions and approaches to the stage in practice as it does to the play text in its traditional and revised forms. The essays and interviews encourage dialectic exchange between analytical studies on contemporary Irish theatre and contributions by theatre practitioners.

the plays of Plautus with Sondheim's A Funny Thing Happened on the Way to the Forum The volume is an invaluable resource for anyone involved in staging or translating classical drama **Drama and the Theatre with Radio, Film and Television** John Russell Brown, 2023-07-14 First published in 1971 Drama and the Theatre with Radio Film and Television is concerned with the nature of theatre as a subject for study and the ways of studying it All its contributors have practical experience of staging plays for professional or student companies or for both Necessarily attention is chiefly focused on the main elements of plays in performance in theatres now and in the past The chosen topics place more specialized studies in a wider context because such a book as this needs above all to give an impression of general scope It is intended for those aiming for a theatre career and for young students interested in theatre
