The Orc Kings Captive:

The Orc King R.A. Salvatore, 2008-10-07 The war against the orcs is far from over in this opening installment of a bold new trilogy in the Legend of Drizzt series The end of winter is near and it seems the uneasy peace between the dwarves of Mithral Hall and the orcs of the newly established Kingdom of Many Arrows will not last long The orc tribes united under Obould are splintering with some seeking to establish an alliance with a clan of half ogres half orcs Drizzt too feels himself torn apart unsure which of the Companions needs him most As Catti brie recovers from a serious injury Wulfgar mourns the death of his wife Together the broken pair leaves Mithral Hall for Silvermoon hoping to find a trail that leads to Wulfgar's lost adopted daughter Meanwhile Bruenor begins his own desperate search Determined to end the war that nearly cost him his life and everything he has built he will stop at nothing until he finds the ancient dwarven city of Gauntlgrym But to truly end the war drastic changes must be made Powerful individuals on both sides may have to alter the way they see each other and perhaps even talk to one another for it will take more than swords and axes to bring a lasting peace to the Spine of the World The Orc King is the first book in the Transitions series and the twentieth installment in the Legend of Drizzt series

The Mismeasure of Orcs Robert T. Tally Jr., 2025-06-16 Despite its well earned reputation as the richest world in fantasy there exists a notable troubling problem in Tolkien's legendarium the existence of a sentient rational being for whom no sympathy or moral feeling is ever shown Examining the origin stories of the orc which changed over time according to Tolkien's own worries about whether orcs were redeemable this book endeavors to show that these inhuman creatures are in fact among the most human perhaps all too human to be found in The Lord of the Rings This work discusses racism and class hierarchies in Tolkien's writings contexts in which the characterization of orcs is particularly noticeable But Tolkien's own writings reveal the nature of orcs to be worthy of sympathy despite their often dehumanized or demonized depictions Focusing on key scenes from The Silmarillion The Hobbit and The Lord of the Rings this study uncovers the richly diverse cultures as well as the distinctive personalities of various orcs who turn out to be a far cry from the monsters they are taken to be in the popular imagination A revised understanding of the orcs as a people presents Middle earth's history geopolitics and cultural anthropology in a new light

Representing Middle-earth Robert T. Tally Jr., 2023-12-21 In such classic works as The Hobbit The Lord of the Rings and The Silmarillion J R R Tolkien depicts a vast complex world system Tolkien's Middle earth comes to life with intensely detailed historical geographical and multicultural content which is presented through different poetic forms that combine elements of epic romance myth history and the modern novel This book analyzes Tolkien's project paying attention to narrative form and its relation to social contexts while also exploring his broader philosophical conception of history and the role of individual and collective subjects within it Tolkien's published and posthumous writings the film adaptations and recent scholarship are all examined to provide an enlarged and refined critical perspective of these major works Drawing upon Marxist literary theory and criticism Robert T Tally Jr calls into question traditional views of race

class morality escapism and fantasy more generally Through close readings mixed with theoretical speculation Representing Middle earth allows readers see Tolkien s world as well as our own in a new light Planet of the Orcs (Light Novel) Vol. 2 Himataro Zukunashi,2022-01-06 After fighting through the orcish hordes to save a fellow dragon rider the hero earns praise from the people and ire from the orcs Their commander dubs him the Demon King in White a fiend destined to be overcome When the hero returns the king ushers him off to Kreulgarz a land laid to waste by civil war However the king s trifling errand takes an unforeseen turn and the hero finds himself face to face with the Black Dog of the orcish army once more
