The book cover features a romantic illustration of a man and a woman in a medieval setting. The man, on the left, is shirtless and muscular, wearing a black leather strap across his chest and a sword at his waist. He is holding the woman in his arms. The woman, on the right, has long blonde hair and is wearing a purple dress. They are looking at each other with affection. The background shows a landscape with mountains and a sunset sky with purple and orange hues.

The Outlaw Viking Sandra Hill, 2010-07-20 As tall and striking as the Valkyries of legend Dr Rain Jordan is proud of her Norse ancestors despite their warlike ways But she can't believe her eyes when a blow to her head transports her to a nightmarish battlefield of yore and there standing before her is the barbarian of her dreams A wild eyed berserker Selik can slay a dozen Saxons with a single swing of his deadly sword yet he can't control a saucy wench from the future In his eyes Rain is a prisoner and he'd dearly love to avail himself of her medical skills not to mention her considerable knowledge of the male anatomy But the infuriating woman has ideas of her own If Selik isn't careful the stunning siren might very well capture his savage heart and make a warrior of love out of The Outlaw Viking *Vikings, Knights, Elves, and Ogres* Eric R. the panorama of historical novelists showcased his remarkable flair for bringing the shadows of history to vivid life with *Viking s Dawn*. His own background as a teacher and a poet is mirrored in the depth of knowledge and the rhythm of the prose attributes that likely informed his depiction of these ancient Scandinavian adventurers. Treece s passion for history and his particular interest in the mythologized eras yields a narrative that is both educational and enthralling, drawing from a well of personal scholarly pursuits and creative imagination. *Viking s Dawn* is more than just an exploration of historical frontiers; it is a literary expedition recommended for those enamored with history interpreted through the lens of poetic narrative craft. Treece s opus is an invitation to traverse the waves of time, ideal for a reader seeking to experience the vibrancy of the Viking age, its people, and their journeys. This book stands as a testament to the enduring allure of historical fiction and the power it has to educate and inspire through the medium of storytelling.
