## **The Oxford Handbook Of Public Accountability:**

**The Oxford Handbook Public Accountability** M. A. P. Bovens, Robert E. Goodin, Thomas Schillemans, 2014-04 Drawing on the best scholars in the field from around the world this handbook showcases conceptual and normative as well as the empirical approaches in public accountability studies *The Oxford Handbook of Public Accountability* M. A. P.

Bovens, Thomas Schillemans, Oxford University Press, 2014 Drawing on the best scholars in the field from around the world this handbook showcases conceptual and normative as well as the empirical approaches in public accountability studies

*The Oxford Handbook of Public Management* Ewan Ferlie, Laurence E. Lynn, Christopher Pollitt, 2005 Brings together international scholars to comment on key issues in Public Management The chapters in this book include overviews exploration of particular thematic areas and analyses of different theoretical perspectives such as political science management sociology and economics It is aimed at advanced students researchers and others *Handbook on the Politics of Public Administration* Ladner, Andreas, Sager, Fritz, 2022-10-13 This innovative Handbook puts the politics of public administration at the forefront providing comprehensive insights and comparative perspectives of the different aspects of the field **The Oxford Handbook of Public Management** Ewan Ferlie, Laurence E. Lynn Jr., Christopher Pollitt, 2005-10-27

The public sector continues to play a strategic role across the world The last thirty years have seen major shifts in approaches to public sector management in many countries There is also a fierce debate across academic disciplines about contemporary public administration management some advocate the use of more managerialist approaches while others see managerialism as undermining democratic institutions New roles have arisen such as programme evaluation management consulting and reliance on NGOs and partnerships which require new assessments There is an intensified need for an analysis of contemporary public sector organisations which are changing rapidly before our eyes It is thus time for an authoritative treatment of the major trends in public management embracing both their intended and unintended consequences This Handbook brings together leading international scholars to comment on key current issues The individual chapters include broad overviews in depth explorations of particular thematic areas and analyses of different theoretical perspectives such as political science management sociology and economics The authors have space to develop their distinctive arguments The editors provide an overall concluding chapter The Handbook combines scholarly rigour engaging writing and high policy relevance It will be invaluable to advanced students researchers and reflective public sector practitioners **The Constitutional Legitimacy of Law Officers in the United Kingdom** Conor McCormick, 2022-07-14

This book provides a detailed account of each law officer's functions and draws on that account as the basis for a conceptual analysis of their constitutional legitimacy In recent years the constitutional legitimacy of law officers has been questioned repeatedly because of recurring controversies surrounding the discharge of their varied functions Indeed it has become increasingly clear that those functions enable law officers to play a highly influential part in the regulation and exercise of

public power throughout the United Kingdom McCormick argues that the most persuasive framework for analysing the offices which make up this diverse regime involves concentrating on the constitutional values of independence accountability and trust which underpin it Both aspects of the book namely the explanation of individual functions and the conceptual analysis of collective legitimacy are written in a holistic way which encompasses critical analyses about the Attorney General and Solicitor General for England and Wales the Counsel General for Wales the Lord Advocate Solicitor General and Advocate General for Scotland as well as the Attorney General and Advocate General for Northern Ireland

**The Unity of Public Law?** Mark Elliott, Jason NE Varuhas, Shona Wilson Stark, 2018-04-19 This major collection contains selected papers from the second Public Law Conference an international conference hosted by the University of Cambridge in September 2016 The collection includes contributions by leading academics and judges from across the common law world including senior judges from Australia Canada New Zealand and the UK The contributions engage with the theme of unity and disunity from a number of perspectives offering a rich panoply of insights into public law which significantly carry forward public law thinking across common law jurisdictions setting the agenda for future research and legal development Part 1 of the volume contains chapters which offer doctrinal and theoretical perspectives Some chapters seek to articulate a unifying framework for understanding public law while others seek to demonstrate the plurality of public law through the method of legal taxonomy A number of chapters analyse whether different fields such as human rights and administrative law are merging with others considering specific unifying themes or concepts in public law The chapters in Part 2 offer comparative perspectives charting and analysing convergence and divergence across common law systems Specific topics include standing proportionality human rights remedies use of foreign precedents legal transplants and disunity and unity among subnational jurisdictions The collection will be of great interest to those working in public law

**Effective Governance Designs of Food Safety Regulation in the EU** Giulia Bazzan, 2021-09-25 This book provides insights on regulatory effectiveness in the field of food safety by focusing on the variety of institutional factors affecting regulatory outcomes Drawing upon the Institutional Analysis and Development framework it investigates differences in effectiveness of food safety regulation and explains them by differences in domestic governance designs by applying Qualitative Comparative Analysis The empirical focus of the book is the food safety governance designs of 15 EU Member States which are investigated through the collection of an original dataset inclusive of measures of independence and accountability of the domestic food safety agencies of policy capacity and of food safety delivered The results show the prominent role of the institutional dimension of policy capacity in producing regulatory effectiveness in conjunction with an integrated model of distribution of the regulatory tasks As to ineffective governance the conjunction of low independence or low accountability with low institutional capacity produce ineffective responses

Tools, Strategies, and Practices for Modern and Accountable Public Sector Management Azevedo, Graça, Oliveira, Jonas, Marques, Rui Pedro, Ferreira, Augusta, 2019-11-15 The recent global

financial and economic crisis has had surprising effects on several economies worldwide This global event has promoted the discussion on how ethical transparent and rigorous the accountability of public sector institutions is However public manager accountability is translated into a vision that goes beyond its sphere of activity demanding information on how public resources have been managed based on the maximization of social welfare and sustainable development Tools Strategies and Practices for Modern and Accountable Public Sector Management is an essential reference source that discusses the process behind how public resources are managed as well as how they are coordinated to achieve collective success Featuring research on topics such as corporate responsibility fiscal accountability and public administration this book is ideally designed for researchers managers financial authorities auditors public managers public administrators regulatory authorities accountants professionals and students involved with the accountability and reform of public management in local governments
