The Oxford Handbook of Peaceful Change in International Relations T. V. Paul, Deborah Welch Larson, Harold A. Trinkunas, Anders Wivel, Ralf Emmers, 2021 Abstract With the rapid rise of China and the relative decline of the United States the topic of power transition conflicts is back in popular and scholarly attention The discipline of International Relations offers much on why violent power transition conflicts occur yet very few substantive treatments exist on why and how peaceful changes happen in world politics This Handbook is the first comprehensive treatment of the subject of peaceful change in International Relations It contains some 41 chapters all written by scholars from different theoretical and conceptual backgrounds examining the multi faceted dimensions of this subject In the first part key conceptual and definitional clarifications are offered and in the second part papers address the historical origins of peaceful change as an International Relations subject matter during the Inter War Cold War and Post Cold War eras In the third part each of the IR theoretical traditions and paradigms in particular Realism liberalism constructivism and critical perspectives and their distinct views on peaceful change are analyzed In the fourth part papers tackle the key material ideational and social sources of change In the fifth part the papers explore selected great and middle powers and their foreign policy contributions to peaceful change realizing that many of these states have violent past or tend not to pursue peaceful policies consistently In part six the contributors evaluate the peaceful change that occurred in the world's key regions In the final part the editors address prospective research agenda and trajectories on this important subject matter Keywords Peaceful Change War Security International Relations Theory Sources of Change Systemic Theory Realism Liberalism Constructivism Critical

Theories Germany's Role in European Russia Policy Liana Fix, 2021-04-24 This book contributes to the debate about a new German power in Europe with an analysis of Germany's role in European Russia policy It provides an up to date account of Germany's Ostpolitik and how Germany has influenced EU Russia relations since the Eastern enlargement in 2004 partly along partly against the interests and preferences of new member states The volume combines a rich empirical analysis of Russia policy with a theory based perspective on Germany's power and influence in the EU The findings demonstrate that despite Germany's central role exercising power within the EU is dependent on legitimacy and acceptance by other member EU Law and Governance Mark Dawson, Floris de Witte, 2022-05-05 An accessible and interdisciplinary take on EU law and governance situating EU law in its political social and cultural context The Oxford Handbook of Local and Regional Democracy in Europe John Loughlin, Frank Hendriks, Anders Lidström, 2012-11-08 The Oxford Handbook of Local and Regional Democracy in Europe analyses the state of play of democracy at the subnational level in the 27 member states of the EU plus Norway and Switzerland It places subnational democracy in the context of the distinctive Anglo the French the German and Scandinavian state traditions in Europe asking to what extent these are still relevant today The Handbook adapts Lijphart s theory of democracy and applies it to the subnational levels in all the country chapters A key theoretical issue is whether subnational regional and local democracy is derived from national democracy or whether it is legitimate in its own right Besides these theoretical concerns it focuses on the practice of democracy the roles of political parties and interest groups and also how subnational political institutions relate to the ordinary citizen This can take the form of local referendums or other mechanisms of participation The Handbook reveals a wide variety of practices across Europe in this regard Local financial systems also reveal a great variety Finally each chapter examines the challenges facing subnational democracy but also the opportunities available to them to enhance their democratic systems Among the challenges identified are Europeanization globalization but also citizens disaffection and switch off from politics Some countries have confronted these challenges more successfully than others but all countries face them An important aspect of the Handbook is the inclusion of all the countries of East and Central Europe plus Cyprus and Malta who joined the EU in 2004 and 2007 This is the first time they have been examined alongside the countries of Western Europe from the angle of subnational democracy

Constitutional Review in Europe Maartje De Visser,2014-07-18 Constitutions serve to delineate state powers and enshrine basic rights Such matters are hardly uncontroversial but perhaps even more controversial are the questions of who should uphold s the Constitution and how constitutional review is organised These two questions are the subject of this book by Maartje de Visser which offers a comprehensive comparative analysis of how 11 representative European countries answer these questions as well as a critical appraisal of the EU legal order in light of these national experiences Where possible the book endeavours to identify Europe s common and diverse constitutional traditions of constitutional review The raison d tre jurisdiction and composition of constitutional courts are explored and so too are core features of the

constitutional adjudicatory process Yet this book also deliberately draws attention to the role of non judicial actors in upholding the Constitution as well as the complex interplay amongst constitutional courts and other actors at the national and European level The Member States featured are Belgium the Czech Republic Finland France Germany Italy Hungary the Netherlands Spain Poland and the United Kingdom This book is intended for practitioners academics and students with an interest in European constitutional law The Politics of Social Inclusion and Labor Representation Heather Connolly, Stefania Marino, Miguel Martínez Lucio, 2019-05-15 In The Politics of Social Inclusion and Labor Representation Heather Connolly Stefania Marino and Miguel Mart nez Lucio compare trade union responses to immigration and the related political and labour market developments in the Netherlands Spain and the United Kingdom The labor movement is facing significant challenges as a result of such changes in the modern context As such the authors closely examine the idea of social inclusion and how trade unions are coping with and adapting to the need to support immigrant workers and develop various types of engagement and solidarity strategies in the European context Traversing the dramatically shifting immigration patterns since the 1970s during which emerged a major crisis of capitalism the labor market and society and the contingent rise of anti immigration sentiment and new forms of xenophobia the authors assess and map how trade unions have to varying degrees understood and framed these issues and immigrant labor They show how institutional traditions and the ways that trade unions historically react to social inclusion and equality have played a part in shaping the nature of current initiatives The Politics of Social Inclusion and Labor Representation concludes that we need to appreciate the complexity of trade union traditions established paths to renewal and competing trajectories of solidarity While trade union organizations remain wedded to specific trajectories trade union renewal remains an innovative if at times problematic and complex set of choices and aspirations The EU\s Human Rights Responsibility Gap Joyce De Coninck, 2024-11-14 Can the EU be held legally responsible for its contributions to human rights harms in its Integrated Border Management policy Or do systemic legal design flaws in the EU s human rights responsibility regime give rise to a significant responsibility gap This book delves into these pressing questions offering a transversal analysis of applicable legal frameworks under international and EU law Divided into three parts the book first analyses the international and EU human rights responsibility frameworks revealing both normative incongruency as well as liability incongruency Part two applies these frameworks to specific illustrations within the four tiers of the EU s Integrated Border Management exposing the critical points where responsibility falters Building on these findings and drawing from shared responsibility and relationality theories part three briefly introduces Relational Human Rights Responsibility as an alternative method to ascertaining human rights responsibility of the EU specifically and international organisations more generally Intersex Rights Nikoletta Pikramenou, 2019-09-25 This book addresses intersex rights violations and analyses intersex people s legal demands as expressed by intersex activists themselves and delivered through statements and reports issued by intersex rights organisations the United Nations and the

Council of Europe Intersex people are born with sex characteristics that do not fit typical notions of male or female bodies as a result of which they are stigmatised marginalised and denied the recognition of their fundamental rights Often they are subjected to involuntary and harmful sex normalising surgeries at birth which violate their bodily integrity self determination and informed consent so as to comply with societal and legal norms Moreover binary legal frameworks prevent them from enjoying the rights to access identification documents start a family or be free from discrimination in all areas including employment and sports To elaborate on intersex violations that emanate from binary laws this book examines the situation of intersex rights in regional jurisdictions worldwide and within the European Union in particular In the process it identifies current legal barriers and suggests how intersex people could be accommodated under legal frameworks and achieve sex gender equality beyond binary definitions The Politics of Mobile Citizenship in Europe Nora Siklodi,2020-07-31 The Politics of Mobile Citizenship in Europe explores contemporary models of national and European Union EU citizenship in the context of intra EU mobility Scholars have often addressed these models from separate disciplinary standpoints National citizenship has been studied through the prism of citizenship studies and EU citizenship from an EU studies viewpoint To contribute to their ongoing discussion and offer a politically embedded perspective Siklodi applies the citizenship studies lens to the analysis of EU wide survey data and original focus group evidence of young and highly educated EU mobiles and stayers in Sweden and Britain Specifically she investigates political community building processes including processes of differentiation and exclusion and the dimensions of citizenship identity rights and participation at the national and EU levels Siklodi proposes a redefinition of the active passive citizen dichotomy in terms of mobiles stayers to provide a more accurate description of contemporary citizen attitudes and behaviours across the European community City Diplomacy Lorenzo Kihlgren Grandi, 2020-11-23 This book presents an accessible overview of the seven key concepts of city diplomacy development cooperation peacekeeping economy innovation environment culture and migration The book discusses its scope and challenges maps the actors involved along with their interaction and offers suggestions for available tools and outcomes Each chapter includes an analysis of a selection of best practices The book successfully combines theory with practical evidence and will be an invaluable reference for students and researchers of international relations and urban studies looking for a comprehensive and updated analysis of the multifaceted international action of cities The book will also be of interest to practitioners and city officials responsible for the design and implementation of impactful diplomatic strategies

Social Policy and EU Polity-building Through Crises and Beyond Anna Kyriazi, Joan Miró, Marcello Natili, Stefano Ronchi, 2024-10-28 This volume sets out to explain the conditions that have favoured the expansion of the European social dimension during the turbulent decade of 2010 20 when Europe was confronting strong countervailing pressures including the euro crisis the refugee crisis and the COVID 19 pandemic The study begins by diagnosing a widespread although slow burning crisis across the European Union EU resulting from the cumulation of social problems and the systemic tension

between EU market integration on the one hand and nationally bounded welfare states and the other Eight in depth case studies analyse the political dynamics behind a variety of EU social initiatives aimed at addressing the consequences of free movement of workers youth unemployment poverty eroding wages environment and climate change and the COVID 19 pandemic To identify the specific drivers of EU social policymaking empirically the authors have reconstructed the struggles over concrete policy proposals as they unfolded in the European multilevel setting The volume introduces a novel analytical framework for interpreting the transformation of the EU social dimension in times of crisis when some degree of social co ordination becomes crucial to bond deeply different welfare states together. This in depth study offers an invaluable analysis for researchers academics and professionals interested in the functioning of the European polity The Open Access version of this book available at www taylorfrancis com has been made available under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4 0 license Latin America-European Union relations in the twenty-first century Arantza Gomez Arana, María J. García, 2022-03-22 Latin America European Union relations in the twenty first century provides a valuable overview of transatlantic trade agreement negotiations and developments in the first decades of the twenty first century This edited collection examines key motivations behind trade agreements traces the evolution of negotiations and explores some of the initial impacts of new generation trade agreements with the EU on South American countries The book makes an important contribution to our understanding of relations between these regions by contextualising relations and trade agendas both in terms of domestic political and economic policies and broader global trends It demonstrates the importance of a shift toward mega regional trade agreements in the 2010s particularly under the Obama administration in the United States in shaping South American and European agendas for trade agreement negotiations and their outcomes Detailed case studies in the book investigate EU relations and negotiations with countries that have successfully negotiated new generation trade agreements with the EU Mercosur the Andean states Chile and Mexico Other contributions offer a wider overview of EU Latin American relations including parliamentary and civil society relations The net result is a balanced analysis of contemporary EU relations with South America useful for students and scholars of foreign policy and political economy in both regions **Inter-organizational Relations in International Security** Stephen Aris, Aglaya Snetkov, Andreas Wenger, 2018-07-11 This book examines the politics of the relationships between multilateral organizations that have come to play a major role in contemporary efforts to manage international security Drawing on concepts developed in Organizational Studies the book starts from the assumption that inter organizational relationships are the product of contested politics Politics that may be either more cooperative or more competitive but which always contains elements of both This volume focuses on inter organizational relations emanating from through and towards the regional scale The proliferation in the number of regional multilateral organizations in recent decades and their growing claims to represent effective and legitimate frameworks to address security threats and issues has

been widely noted The book is organized into four sections covering all aspects of the inter organizational relationships in which regional multilateral organizations are involved global regional intra regional inter regional and multi scalar Each chapter addresses a distinct case study of inter organizational relations bilateral trilateral or wider network and examines the politics shaping these relations This book will be of much interest to students of international security international organizations global governance and area studies more generally
