The Painters Workshop Creative Composition And Design:

The Painter's Workshop - Creative Composition & Design Pat Dews, 2003-06-02 Start every painting the right way with a composition and design that works Good composition and design is the underlying foundation of any successful painting Let Pat Dews show you what good design really is while detailing the principles that can improve your work with every stroke You can learn how successful painters use the fundamentals of composition in unique ways to create gorgeous works of art in a variety of media including watercolor pastel collage and more Let light and shadow lead your composition Tell a story with the elements of design Construct a composition with color Allow a composition to evolve as you paint Move from literal interpretation to Impressionism Use your computer as a tool for creative design Some use different techniques to decide what will work before committing to a final composition others design their paintings before even picking up a brush A few combine the two approaches Dews helps you discover the method that's best for you She also illustrates how to bring every painting to a great finish through an invaluable critique of student work It's all the information you need to start composing beautiful art the moment your brush hits the paper Putting People in Your Paintings Laurel Hart, 2007-01-17 Capture the essence of people in your paintings Add a personal touch to your watercolors with 11 step by step demonstrations that cover people in a variety of scenes and situations Award winning artist Laurel Hart gives you the techniques you need to capture the living breathing essence of people Inside you'll find Tips for seeing the basic shapes of your subject using lighting and shading techniques Easy methods for successful design and composition Techniques for translating photographs into compelling beautiful paintings Complete instruction for placing people in settings including cityscapes landscapes and interiors Laurel guides you through the process with practical tips chapter summaries and motivational Hart felt insights that will inspire you to see the beauty of your subject and transfer your emotional response to watercolor Putting People in Your Paintings gives you all the tools you need to make your paintings come alive Craft Consciousness and Artistic Practice in Creative Writing Ben Ristow, 2022-02-10 Craft lives inside the artist and it operates in the mind not in standards or techniques Creative writers navigate thresholds in consciousness as they develop their arts practice Craft Consciousness and Artistic Practice in Creative Writing explores what it is to be an artist as it traces radical feminist and culturally embedded traditions in craft The new term craft consciousness identifies the nexus from which writers explore making processes and practitioner knowledge Writers as with all artists create and reimagine themselves anew and it is in this perpetual state of becoming that they find ways to enlarge their sense of artistry through an exploration of forms processes and mediums beyond the written word For writers this book initiates a reexamination of the mission of creative writing through disrupting patriarchal racist colonialist ableist and capitalist associations with dominant craft Drawing from twenty five interviews with living artists outside of writing and in a host of fields from conceptual art to leatherwork and dance the book shines a light on how the processes associated with craft are embodied Craft is an internalized matrix it need not be commodified for the

marketplace or codified in the standards necessitated by institutions of higher education By redesigning writing workshops and MFA PhD programs through craft consciousness new potentials and collaborations emerge and it becomes more conceivable to imagine dynamic inclusive relationships between writers scientists and other artists
