

The background of the book cover is a close-up photograph of numerous smooth, heart-shaped stones in various shades of brown, tan, and grey. Some of the stones have heart-shaped cutouts or engravings. A large, dark grey heart-shaped stone is positioned in the lower center. A black diagonal band runs from the top left towards the bottom right, containing the publisher's name and the author's name.

## **The Organized Heart A Womans Guide To Conquering Chaos:**

*The Organized Heart: A Woman's Guide to Conquering Chaos* Staci Eastin, 2011-02-26 Jesus taught that true change doesn't come by adding more rules but from the inside out with a change of the heart that only the gospel can bring. When you identify the heart problems behind the chaos in your life, lasting change can happen. This will reduce the stress in your life and help you be more effective in your service to God.

**Christ in the Chaos** Kimm Crandall, 2013-03 Moms Look to the gospel for your rest, joy, sufficiency, and motivation. For far too long, mothers have been beaten down by the law of do better and try harder. The burden of getting it right threatens to crush weary souls who desire to serve their families faithfully. Christ in the Chaos brings comfort to conflicted hearts that are starved of grace and longing for the freedom in Christ. The Bible promises, "In this book, Kimm Crandall emphasizes the importance of the gospel and how Christ's life, death, and resurrection change every aspect of motherhood. From finding our identity in Christ and understanding God's grace to taking off the mask of acceptability and dealing with the comparison crud, this book will free you to serve your family knowing that his love for you does not change based on your performance. Christ in the Chaos is a must read for every mother who longs for what is seemingly impossible: peace and freedom in the midst of her chaos."

**Do More Better** Tim Challies, 2016-01-01 Don't try to do it all. Do more good. Better. I am no productivity guru. I am a writer, a church leader, a husband, and a father, a Christian with a lot of responsibilities and with new tasks coming at me all the time. I wrote this short, fast-paced practical guide to productivity to share what I have learned about getting things done in today's digital world. Whether you are a student or a professional, a work-from-home dad or a stay-at-home mom, it will help you learn to structure your life to do the most good to the glory of God. In *Do More Better*, you will learn common obstacles to productivity, the great purpose behind productivity, 3 essential tools for getting things done, the power of daily and weekly routines, and much more, including bonus material on taming your email and embracing the inevitable messiness of productivity. It really is possible to live a calm and orderly life, sure of your responsibilities and confident in your progress. You can do more better. And I would love to help you get there.

**Brass Heavens** Paul Tautges, 2013 Does it ever seem like God is not listening? Sometimes we're tempted to wonder if God can hear us. After months or even years of praying over a particular person or situation, we look for evidence that God is getting our message or even paying attention, and we can't find much. Why is that? Why do the heavens sometimes seem as hard and reflective as brass? Doesn't God love us and care for us? Isn't he all powerful? What's going on? In *Brass Heavens*, author, pastor, and biblical counselor Paul Tautges grounds prayer in the character of our Triune God, whose very nature is to share generously his good gifts with his children. Upon that foundation, Tautges then explores six reasons why at times God appears to go silent. As we examine these causes of unanswered prayer, we discover the biblical means by which we may open God's ears to our voice. Once again, God has a good and holy purpose for periods of silence. He wants to test our faith that we might see for ourselves just how weak and dependent we are on him for all good.

things His goal is nothing less than to heighten our spiritual sensitivities in order to draw us into more intimate fellowship with him and more faithful obedience to him

**Smooth Stones** Joe Coffey, 2011-06 Street level apologetics for everyday Christians Because faith in Jesus makes sense And you don't need an advanced degree to understand why This book was written for two reasons First too many people think believing in Christianity means blind faith against all evidence the way a child believes in Santa Claus or the Tooth Fairy Nothing could be further from the truth Second every few years a new book intended to undermine Christianity becomes a best seller and shakes the faith of many Yet the arguments in these books are rarely compelling Jesus likened faith in God to a house built on a foundation If built on sand storms of doubt will tear the house apart But if we build on a solid foundation we will stand In these pages Joe Coffey inspects our foundation so we can know why we believe and so we can speak of our faith to others with greater confidence and clarity The conclusion The Christian faith is built on a tremendous amount of credible evidence You don't need to be a scientist an historian an archeologist or a philosopher to understand why belief in Jesus makes perfect sense Think of the last time an unbeliever asked you a seemingly unanswerable question as a way of supporting their unbelief Did you feel thwarted in your attempt to give an account for the hope that is in you Smooth Stones answers six of the toughest of these questions How do you know God exists How can you be sure the Bible is authentic and true If God exists why is there evil and suffering Doesn't science disprove the Bible Aren't all religions the same How can you be sure the claims of Christ are true Joe Coffey writes in a style that is clear winsome and compelling Smooth Stones will equip you with answers to some of the toughest apologetics questions a Christian can face There is plenty of evidence to support the claims of Christianity Smooth Stones puts much of that evidence at your fingertips and offers practical guidelines for how to unpack it in ways that are gentle and reverent

*The Two Fears* Chris Poblete, 2012-04 You can fear God or everything else Fear wisely Most Christians will agree that we ought to love our God But what about fearing God The Bible says that the fear of the Lord is the beginning of wisdom Proverbs 9:10 yet a broad survey of modern evangelicalism reveals that the fear of God is hardly regarded as such anymore Many Christians seem to wrongly assume that the gospel of grace trumps the fear of the Lord Yet it is only the God of the gospel who is truly worthy of our reverential fear The purpose of this book is to equip Christians with a healthy view of fearing God and to illustrate how it reconciles with the gospel of God's grace to sinners

**But God...** Casey Lute, 2011-05 Just two words But God Understand their use in Scripture and you'll never be the same Whether from the pen of Moses Paul or other biblical authors But God appears in various forms hundreds of times in the Bible To understand these two words as they are used in Scripture is to understand the gospel This book focuses on nine of the most important appearances of this key phrase drawing in numerous other passages of Scripture and in the process unfolding the magnificent drama of God's sovereign grace from his mercy on Noah to our security in a resurrected Savior James Montgomery Boice wrote May I put it quite simply If you understand those two words but God they will save your soul If you recall them daily and live by them they

will transform your life completely Boice was right To the left of But God in Scripture appear some of the worst human atrocities characterized by disobedience and rebellion To the left of But God is hopelessness darkness and death But to its right following But God readers of Scripture will find hope light and life Following God s intervention the story of Scripture becomes one of grace righteousness and justice In fact this phrase is used to describe God s activity in nearly every great salvation story in the Bible It is the perfect phrase for highlighting God s grace against the dark backdrop of human sin But God marks God s relentless merciful interventions in human history It teaches us that God does not wait for us to bring ourselves to him but that he acts first to bring about our good It also teaches us of the potential consequences if God were not to act Scripture shows over and over that without God s intervening grace without the But God statements in the Bible the world would be completely lost in sin and under judgment May the reading of this book and of the biblical But God statements it contains cause you to understand these two words recall them regularly and allow them to transform your understanding of God s grace and thus transform your very life      *Education Or Imitation* Curtis Allen,2012 To interpret Scripture rightly imitate Jesus The earthly ministry of Jesus was all about rightly interpreting and applying God s Word We can do the same No special training required In fact right interpretation of Scripture followed by right application is the primary way that Christians are to be like God This is not an issue of education It s an issue of imitation The example of Jesus life shows us how      *Innocent Blood* John Ensor,2011-09 The gospel of Christ is the gospel of life and the Christian s defining reality Yet the shedding of innocent blood primarily through abortion has now marked an entire generation Innocent Blood explores a series of questions so as to reveal vital connections between the gospel and the call to defend the unborn These questions include What does the Bible mean when it says that life is in the blood What does the Bible say about blood guilt How is it that we are all stained by it and accountable for it even though few of us have taken a human life What remedy does God provide for the guilt of shedding innocent blood What are we to do when confronted with the shedding of innocent blood and where does our courage to take action come from What is the link between protecting the innocent and proclaiming good news to the guilty Not a book on social issues per se nor a book on missions Innocent Blood integrates the two and calls us to courageously challenge the powers of death with the gospel of life      *Grace Is Free* Marci Preheim,2014-03-01 What Does Godly Look Like A great treason is infiltrating the Christian world today The gospel is meant to set people free but instead it has been subtly tainted by the enemy False teaching has slipped in virtually unnoticed but its effects are deadly To do lists competition even with spiritual disciplines and extra rules have enslaved women to self righteousness instead of leading them to Christ s righteousness Disguised as helpful tips for women this distortion robs Christian women of intimacy with each other and labels them as godly for what amounts to human effort and worldly success Many people view this competition for godliness as striving for excellence After all what man doesn t want a woman who is zealous to be the best homemaker mother and wife But if organization and domestic genius were prerequisites for godliness

then Martha Stewart would be one of the godliest women in the world The truth is when women spend more time trying to appear godly rather than actually being close to God there can be no other motive than a desire for approval from people rather than from God himself Grace Is Free unmasks this false gospel and the bondage to people s approval that comes with it It attempts to realign perspectives and help women understand how to rest through faith in what has already been accomplished through Jesus Christ The true gospel is received through faith not activity For in the gospel a righteousness from God is revealed a righteousness that is by faith from first to last just as it is written The righteous will live by faith Romans 1 17

**Glimpses of Grace** Gloria Furman, 2013-05-31 Runny noses Dirty diapers Unfolded laundry The day to day life of the average housewife is filled with countless tasks that can feel mundane and ordinary causing women to wonder if they re missing out on bigger and better things Eager to encourage such struggling homemakers pastor s wife and mother of three Gloria Furman highlights the reality of God s grace in all of life especially those areas that often seem boring and unimportant Filled with personal examples and anecdotes this richly theological reflection on what it means to be a wife mother and homemaker challenges readers to see and cherish the gospel s extraordinary impact on ordinary life Glimpses of Grace will inspire a renewed gospel cheerfulness among women faithfully serving God in and through their homes
