The Outsiders Edge The Making Of Self Made Billionaires:

The Outsider's Edge Brent D. Taylor, 2011-12-30 The secret of extreme wealth creation The Outsider's Edge reveals the one common denominator the world's richest self made people share Studying the lives of 17 world famous billionaires author and researcher Brent Taylor discovered that their one shared experience is that of the outsider From Bill Gates to Richard Branson to Warren Buffett being different from their peers and proud of it has served as prime motivation for many of the world's most spectacularly successful people Turning the conventional wisdom about wealth on its head The Outsider's Edge reveals the true value and importance of being different Brent Taylor Australia is a professional researcher who has worked for more than 20 years as a market researcher to government and corporations

The Creative Edge Brent D. Taylor, 2012-01-24 Discover the x factor the driving force behind extraordinary success What accounts for the difference between the mega success of Madonna and a thousand other wannabees waiting in the wings Why did JK Rowling succeed where so many others aspiring writers have failed And what was it about the slightly neurotic and mediocre schoolboy Sigmund Freud that ensured his position as one of the most brilliant and original thinkers in history In this engrossing new book Taylor builds on his theory that feeling like an outsider from an early age whether consciously or subconsciously not fitting into the norm creates an edge that can drive outstanding success in later life To this core philosophy Taylor adds a new ingredient that of creativity and he explores the interplay of these two factors a lack of belonging and creativity in the lives of a sparkling cast of individuals Go beyond the glitz and glamour to discover how creative energy harnessed to produce lives and works of extraordinary genius can often exist against a backdrop of personal struggle and despair From childhood outsider to adult icon understand the journey of the following celebrities Brad Pitt Elvis Presley Frieda Kahlo Walt Disney Sigmund Freud Albert Einstein Andy Warhol Coco Chanel David Beckham Dan Brown John Lennon Sir Edmund Hillary JK Rowling Angelina Jolie Tiger Woods Amelia Earhart Madonna
