Ruderman, 2025-06-16 This book is a study of the life and thought of the Polish Jew Solomon Yom Tov Bennett 1767 1838 who immigrated to London where he spent the last forty years of his life In focusing on Bennett's learned life it underscores the significance of this singular writer artist and public figure especially his remarkable dual interests in art and thought his biblical scholarship his social and intellectual connections with some of the most famous and accomplished Christian intellectuals of London and his self determination to complete his life long ambition of serving Western civilization by correcting and rewriting the entire standard edition of the English Old Testament Bennett's Christian associates respected his learning and were willing to accept him as a Jew in their ranks His integration into the upper echelons of the Christian literary establishment dukes jurists theologians and other scholars did not impede his loyalty to his faith On the contrary Bennett's Christian friends made him more Jewish more convinced of Judaism's moral force and more secure in his own skin as a member of a proud minority among Christian elites supposedly liberated so he hoped from the dark hostility of the Christian past His supreme act of translating the Bible constituted the ultimate payback he could offer the altruistic Christians he had met open to welcoming him not despite his Jewishness but because of it Bennett's transformation from a Polish Jewish immigrant to a proud Anglo Jew exemplifies a unique path of modern Jewish life and self reflection one ultimately shaped by the particular ambiance of his newly adopted country Visual Cultures of Death in Central Europe Aleksandra Koutny-Jones, 2015-09-17 In *Visual Cultures of Death in Central Europe* Aleksandra Koutny Jones explores the emergence of a remarkable cultural preoccupation with death in Poland Lithuania 1569 1795 Examining why such interests resonated so strongly in the Baroque art of this Commonwealth she argues that the printing revolution the impact of the Counter Reformation and multiple afflictions suffered by Poland Lithuania all contributed to a deep cultural concern with mortality Introducing readers to a range of art architecture and material culture this study considers various
