The Plan George H. Mcvey, Sr.,2015-03-11 CAUTION This book is not for casual Christians It reveals a systematic hidden plan by satan and his human servants to infiltrate and destroy the local church today This information is not speculation but part of a training and agenda that Pastor George McVey helped implement in churches during his time in the occult before coming to a relationship with Christ Pastor George is sharing the 8 steps of THE PLAN he was trained to use to help destroy a church from the inside during his time in the occult This plan is simple and yet effective As you read the actual words of THE PLAN for yourself you will begin to see how widespread it s use is and how effective it has been for years and still is today However you ll not only read the actual plan but Pastor George will share with you the most anointed battle tactics to stop the effectiveness of this plan in your church This booklet is for anyone who wants to stop the devil in his tracks and see the church revived and deliverance healing and salvation come to their community again Pastor George grew up the son of a church elder and the missions treasurer for the church his family attended George rejected his parent s faith and joined a satanic order in his teen years This booklet is the results of that time Since his salvation and call to ministry God has used Pastor George to bring deliverance to those caught in the occult and awareness to the Church of how to effectively fight satan in communities all over the country Pastor George is putting his own life at risk to share this information with the Church today During the writing of this booklet he was warned repeatedly that to share this information would lead to attacks by his former satanic order to his reputation health safety life and that of his family **SATAN THE HIDDEN**

ENEMY OF YOUR CHURCH ISIAH MACWEALTH, Every believer needs to understand that the Church as an entity has an enemy Satan whose assignment is to ensure that the church never fulfills her purpose Many of our plans may be hindered if we do not understand this enemy his strategies and how to fix them Also a lot of the problems and challenges we face in the church today are caused by church people Our purpose to reach the world is being slowed down because there are some amongst us who are fighting against us They are part of the church yet they both consciously and unconsciously fight against her This is what I call church sabotage Therefore in this book I will expose the several ways Satan works through such people to sabotage the church how the spirit of rebellion and strife works and how we can consciously come to the unity of the faith
