The Origins Of Totalitarianism Harvest Book Hb244:

Nationality of Foundlings Mai Kaneko-Iwase, 2021-09-24 This is the first book dedicated to clarifying the concept of foundlings and how to best prevent their statelessness in light of the object and purpose of Article 2 of the 1961 UN Convention on the Reduction of Statelessness and equivalent nationality law provisions Among other features the book defines the terms foundling including the maximum age limit of the child to be considered a foundling unknown parents being found in a territory and proof to the contrary as well as the procedural issues such as the appropriate burden and standard of proof In doing so the book draws upon a comparative analysis of national legislation on foundlings covering 193 states case law and precedents in some states as well as international human rights law norms including the best interests of the child As its conclusion the book proposes an inclusive model foundling provision and a commentary to inform legislative efforts and interpretation of the existing provisions Its findings are useful not only to state parties to the 1961 Convention but also to non state parties particularly in countries lacking systematic civil documentation or experiencing the effects of armed The Publishers' Trade List Annual ,1976 conflicts migration trafficking and displacement *Perpetrator Disgust* Ditte Marie Munch-Jurisic, 2022-11-25 In this volume Munch Jurisic offers the first in depth philosophical analysis of perpetrator disgust the phenomenon of individuals experiencing severe physiological or emotional distress following acts of atrocity By examining the relationship between emotions human nature and cognition through the lens of perpetrator disgust she argues that our gut feelings are not moral instincts but should be understood as templates that can embody a broad range of values and morals Antisemitism in North America Steven K. Baum, Neil J. Kressel, Florette Cohen, Steven Leonard Jacobs, 2016-01-27 In Antisemitism in North America the editors have brought together an impressive array of scholars from diverse disciplines and political orientations to assess the condition of the Jews in the United States Canada Mexico and the Caribbean The contributors do not always agree with each other but they offer perspectives of why the Jewish experience in North America has neither been free from antisemitism nor ever so unwelcoming and dangerous as the countries from which they came Contributors examine antisemitism in culture politics religion law and higher education

Mediating Plureality Morten Bay, 2025-03-24 In this book Morten Bay provocatively questions whether or not truth in media is lost and furthermore whether humans can perceive objective reality or as many neuroscientists and philosophers now believe we all perceive different realities constructed through predictive processing As affective polarization continues to render American democracy increasingly dysfunctional a situation largely inflamed by media Bay calls for a cultural shift in which these two conditions are reconciled Drawing on political philosophy this book presents an ethics that holds up responsible media conduct as a democratic duty of all media users This shift in ethical frameworks carries with it different implications for a variety of audiences including individuals media platforms and corporations media practitioners and journalists media studies scholars and society more broadly Each stakeholder involved will need to reconsider their approach
