OSCAR WILDE

The Picture Of Dorian Gray Penguin Merchandise Books

Kaye

The Picture Of Dorian Gray Penguin Merchandise Books:

The Picture of Dorian Gray in the Twenty-First Century Kaye, 2025 This collection of new essays devoted to Oscar Wilde's classic novel presents new critical work by prominent scholars that deal with numerous aspects of the famed novel. Essays range from early literary influences on the novel and its controversial early reception to its afterlife in literature, film, dance, photography, theatre, and television. In addition to considering *Dorian Gray* as an iconic queer work of fiction that daringly challenged late Victorian literary practices, the volume explores Wilde's novel in terms of the history of the European novel and the book's innovations as a gothic supernatural work that defied the conventions of nineteenth-century realism. Along with striking illustrations of the novel since its publication, including images from popular adaptations, the volume includes never-before-translated early reviews of the novel in the European press, along with an unpublished parody of Wilde's novel in the form of an examination paper by the English writer Max Beerbohm. Edited by Richard Kaye, this volume offers multiple and fascinating perspectives on Oscar Wilde's classic in fourteen highly readable essays.

The Penguin Book of English Song Richard Stokes, 2016-04-07 The Penguin Book of English Song anthologizes the work of 100 English poets who have inspired a host of different composers, some English, some not, to write vocal music. Each of the chapters, arranged chronologically from Chaucer to Auden, opens with a précis of the poet's life, work, and often approach to music. Richard Stokes's notes and commentaries constantly illuminate the language and themes of the poems and their settings in unexpected ways. An awareness of how Ben Jonson based his famous poem "Drinke to me onely with thine eyes on a Greek original" for example, increases our enjoyment of both the poem and the traditional song. Knowledge of Thomas Hardy's relationships with women deepens our appreciation of songs by Ireland, Finzi, Britten, and others. Charles Dibdin's "Tom Bowling" played each year at the Last Night of the Proms takes on a deeper resonance when we know that it was written after the death of his brother Tom, a sea captain struck by lightning in the Indian Ocean. Many composers of different nationalities appear, but the book remains quintessentially British and includes pieces that have an established place in our national consciousness: "Rule Britannia" (James Thomson), "Abide with me" (Henry Francis Lyte), "Auld lang syne" (Robert Burns), "Jerusalem" (William Blake), "Once in royal David's city" (Mrs. C. F. Alexander), and even "Twinkle, twinkle, little star" (Jane Taylor). The poems are printed in their original versification and spelling, enabling us to trace the development of the English language as the book progresses. The volume presents a huge amount of information about English Song that will enlighten all those who delight in the fusion of words and music. The presence of minor as well as major poets and the unique principle of selection make *The Penguin Book of English Song* a highly original anthology of English verse.

Dracula Marius-Mircea Crişan, 2017-11-11 This volume analyses the role of Bram Stoker's *Dracula* and its sequels in the evolution of the Gothic. As well as the transformation of the Gothic location from castles, cemeteries, and churches to the modern urban gothic, this volume explores the evolution of the undead, considering a range of media from the 19th-century protagonist to sympathetic contemporary

vampires of teen Gothic Based on an interdisciplinary approach literature tourism and film the book argues that the development of the Dracula myth is the result of complex international influences and cultural interactions Offering a multifarious perspective this volume is a reference work that will be useful to both academic and general readers The Picture of Dorian Gray Oscar Wilde,2012-06-28 With an essay by Peter Ackroyd I am jealous of everything whose beauty does not die I am jealous of the portrait you have painted of me Why did you paint it It will mock me some day mock me horribly A story of evil debauchery and scandal Oscar Wilde s only novel tells of Dorian Gray a beautiful yet corrupt man When he wishes that a perfect portrait of himself would bear the signs of ageing in his place the picture becomes his hideous secret as it follows Dorian s own downward spiral into cruelty and depravity The Picture of Dorian Gray is a masterpiece of the evil in men s hearts and is as controversial and alluring as Wilde himself The Penguin English Library 100 editions of the best fiction in English from the eighteenth century and the very first novels to the beginning of the First World War **The Picture of Dorian Gray (Film Tie-in)** Oscar Wilde,2009-08-13 Enthralled by his own exquisite portrait Dorian Gray exchanges his soul for eternal youth and beauty Influenced by his friend Lord Henry Wotton he is drawn into a corrupt double life indulging his desires in secret while remaining a gentleman in the eyes of polite society Only his portrait bears the traces of his decadence The Picture of Dorian Gray was a succ s de scandal Early readers were shocked by its hints of unspeakable sins and the book was later used as evidence against Wilde at his trial at the Old Bailey in 1895

Advertising, Literature and Print Culture in Ireland, 1891-1922 J. Strachan,C. Nally,2012-08-07 This is the first study of the cultural meanings of advertising in the Irish Revival period John Strachan and Claire Nally shed new light on advanced nationalism in Ireland before and immediately after the Easter Rising of 1916 while also addressing how the wider politics of Ireland from the Irish Parliamentary Party to anti Home Rule unionism resonated through contemporary advertising copy The book examines the manner in which some of the key authors of the Revival notably Oscar Wilde and W B Yeats reacted to advertising and to the consumer culture around them Illustrated with over 60 fascinating contemporary advertising images this book addresses a diverse and intriguing range of Irish advertising the pages of *An Claidheamh Soluis* under Patrick Pearse s editorship the selling of the Ulster Volunteer Force the advertising columns of *The Lady of the House* the marketing of the sports of the Gaelic Athletic Association the use of Irish Party politicians in First World War recruitment campaigns the commemorative paraphernalia surrounding the centenary of the 1798 United Irishmen uprising and the relationship of Murphy s stout with the British military Sinn F in and the Irish Free State *Books in Print* ,1961

Antiquarian Book Monthly ,1996 **The Man Who Loved Books Too Much** Allison Hoover Bartlett,2009-09-17 In the tradition of *The Orchid Thief* a compelling narrative set within the strange and genteel world of rare book collecting the true story of an infamous book thief his victims and the man determined to catch him Rare book theft is even more widespread than fine art theft Most thieves of course steal for profit John Charles Gilkey steals purely for the love of books In an attempt

to understand him better journalist Allison Hoover Bartlett plunged herself into the world of book lust and discovered just how dangerous it can be John Gilkey is an obsessed unrepentant book thief who has stolen hundreds of thousands of dollars worth of rare books from book fairs stores and libraries around the country Ken Sanders is the self appointed bibliodick book dealer with a penchant for detective work driven to catch him Bartlett befriended both outlandish characters and found herself caught in the middle of efforts to recover hidden treasure With a mixture of suspense insight and humor she has woven this entertaining cat and mouse chase into a narrative that not only reveals exactly how Gilkey pulled off his dirtiest crimes where he stashed the loot and how Sanders ultimately caught him but also explores the romance of books the lure to collect them and the temptation to steal them Immersing the reader in a rich wide world of literary obsession Bartlett looks at the history of book passion collection and theft through the ages to examine the craving that makes some people willing to stop at nothing to possess the books they love The Nation and Athenæum ,1925 **The Nation and the Athenaeum** ,1925 Illness and Image Sander L. Gilman,2018-01-16 The humanities in higher education are too often labeled as impractical and are not usually valued in today s marketplace Yet in professional fields such as the health sciences interest in what the humanities can offer has increased Advocates claim the humanities offer health care professionals greater insight into how to work with those who need their help Illness and Image introduces undergraduates and professionals to the medical humanities using a series of case studies beginning with debates about male circumcision from the ancient world to the present to the meanings of authenticity in the face transplantation arena The case studies address the interpretation of mental illness as a disability and the new category of mental illness self harm Sander L Gilman shows how medicine projects such categories existence into the historical past to show that they are not bound in time and space and therefore are real Illness and Image provides students and researchers with models and possible questions regarding categories often assumed to be either trans historical or objective making it useful as a textbook **The Nation** ,1925 **The Publishers Weekly** ,1945-03 **History of the Gothic: Gothic Literature 1825-1914** Jarlath Killeen,2009-06-01 This volume in this exciting new series provides a detailed yet accessible study of Gothic literature in the nineteenth century It examines how themes and trends associated with the early Gothic novels were diffused widely in many different genres in the Victorian period including the ghost story the detective story and the adventure story It looks in particular how the Gothic attempted to resolve the psychological and theological problems thrown up the modernisation and secularisation of British society The author argues that the fetishized figure of the child came to stand for what many believed was being lost by the headlong rush into a technological and industrial future The relationship between the child and horror is examined and the book demonstrates that far from a simple rejection or acceptance of secularisation the Gothic attempts to articulate an entirely different way of being modern **At Wit's End** Erma Bombeck,2011-02-02 America s irrepressible doyenne of domestic satire THE BOSTON GLOBE Madcap bittersweet humor in classic Erma Bombeck style You ll laugh until it hurts and love it Any mother with half

a skull knows that when Daddy's little boy becomes Mommy's little boy the kid is so wet he's treading water What do you mean you're a participle in the school play and you need a costume Those rotten kids If only they'd let me wake up in my own way Why do they have to line up along my bed and stare at me like Moby Dick just washed up onto a beach somewhere

Literature for Young Adults Joan L. Knickerbocker, 2017-03-15 Young adults are actively looking for anything that connects them with the changes happening in their lives and the books discussed throughout *Literature for Young Adults* have the potential to make that connection and motivate them to read It explores a great variety of works genres and formats but it places special emphasis on contemporary works whose nontraditional themes protagonists and literary conventions make them well suited to young adult readers It also looks at the ways in which contemporary readers access and share the works they're reading and it shows teachers ways to incorporate nontraditional ways of accessing and sharing books throughout their literature programs In addition to traditional genre chapters *Literature for Young Adults* includes chapters on literary nonfiction poetry short stories and drama cover art picture books illustrated literature and graphic novels and film It recognizes that while films can be used to complement print literature they are also a literacy format in their own right and one that young adults are particularly familiar and comfortable with The book's discussion of literary language including traditional elements as well as metafictional terms enables readers to share in a literary conversation with their students and others when communicating about books It will help readers teach young adults the language they need to articulate their responses to the books they are reading

The Bookman, 1926 **Penguin Classics** Penguin (Firm), 2001 **Melville: Fashioning in Modernity** Stephen Matterson, 2014-07-31 Melville *Fashioning in Modernity* considers all of the major fiction with a concentration on lesser known work and provides a radically fresh approach to Melville focusing on clothing as socially symbolic dress power and class the transgressive nature of dress inappropriate clothing the meaning of uniform the multiplicity of identity that dress may represent anxiety and modernity The representation of clothing in the fiction is central to some of Melville's major themes the relation between private and public identity social inequality and how this is maintained the relation between power justice and authority the relation between the civilized and the savage Frequently clothing represents the malleability of identity its possibilities as well as its limitations represents writing itself as well as becoming indicative of the crisis of modernity Clothing also becomes a trope for Melville's representations of authorship and of his own scene of writing Melville *Fashioning in Modernity* also encompasses identity in transition making use of the examination of modernity by theorists such as Anthony Giddens as well as on theories of figures such as the dandy In contextualizing Melville's interest in clothing a variety of other works and writers is considered works such as Robinson Crusoe and *The Scarlet Letter* and novelists such as Fenimore Cooper Nathaniel Hawthorne Henry James Jack London and George Orwell The book has at its core a consideration of the scene of writing and the publishing history of each text
